

LEGO® Engineering with Laurel Beach Association

At Play-Well TEKologies, students are encouraged to unleash their inner engineer as they design and build with tens of thousands of LEGO® pieces and the guidance of our passionate instructors. They will explore fundamental STEM concepts as they learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.

June 29 - July 2
Ages 7-12
3:30- 5:00pm

STEM Innovations using LEGO™ Materials

Design and innovate with Play-Well TEKologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects and an inquiry-based learning classroom model. Projects are rotated seasonally to ensure that even returning students get a new experience. Time to see STEM in action!
