Tournament rules: All players must be available to play the finals on Sunday, August 31st or rain date on Monday, September 1st. We are continuing to have a semi-directed draw for the adult double's competition. Players' self-assessment (beginner, intermediate, advanced, USTA level if applicable) and the draw committee team knowledge will pair teams as fairly as possible. It is players responsibility to set up matches and play all matches prior to the finals. Junior players (13-18 years old) who play for their High School tennis team can elect to join the adult tournament instead of the Junior tournament.
